

The Rum Club of False Idol

Your exploration begins when you register with the club at fi.bevager.com

To register:

1. Go to: fi.bevager.com
2. At the login screen, create new account by clicking on “Create one now”:

3. You will be asked for your name, email address, and to create a password for your account. Once you've filled these out, click on “Create Account.”
4. You will be taken back to the login screen, and a green box will appear saying “You've successfully been registered and can now login.”
5. Enter your email address and password and click “Sign In.”

Please note that you cannot “share” membership in the Mystics of Alkala, such that two people share each of the tastes but both earn individual titles. Our club is structured such that earning

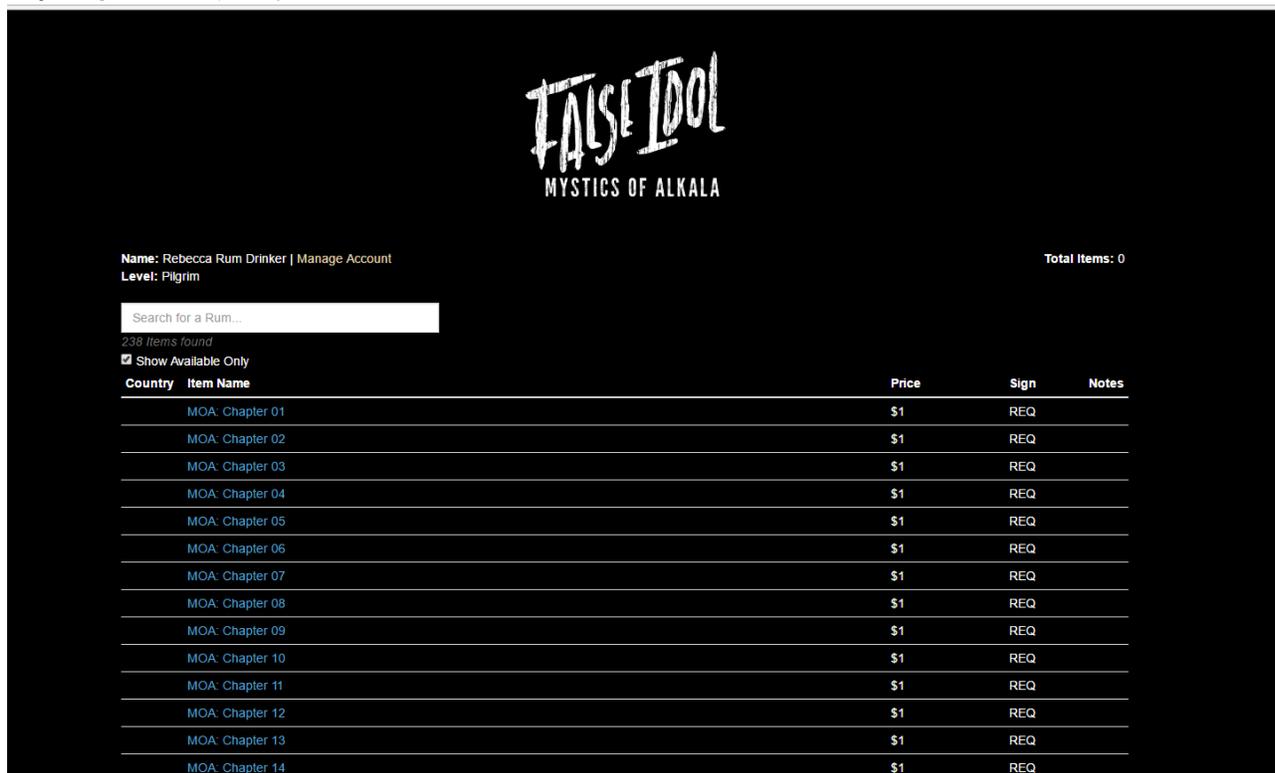

titles earns you special rewards, so each person must make their way through the education and rum list individually.

Completing The Mystics of Alkala Education Program:

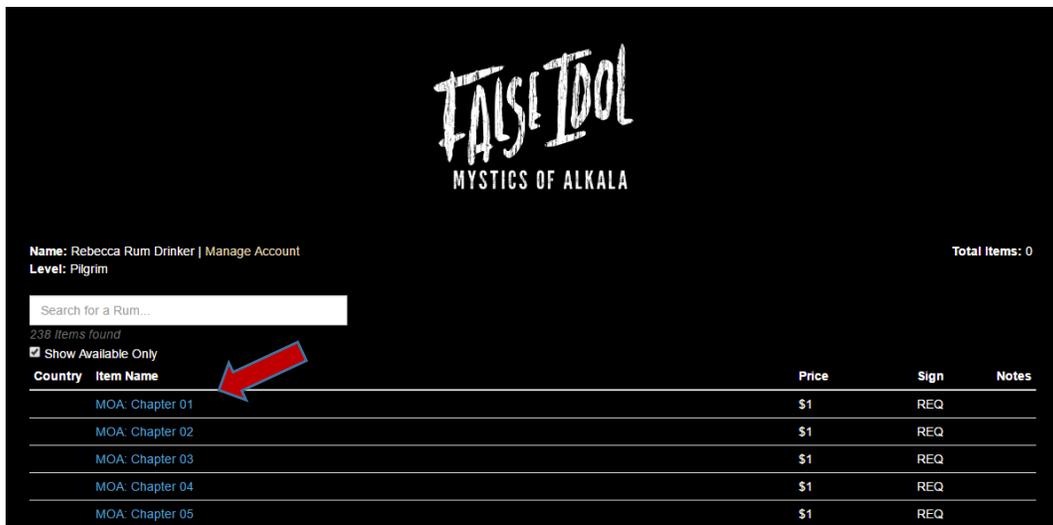

1. Once you have registered and logged in, you are ready to begin!
2. *Our education program consists of Thirty-Five Chapters, which are included as a downloadable PDF from the False Idol website:*
[\(<http://falseidol.tiki.com/uploads/themysticsofalkala.pdf>\)](http://falseidol.tiki.com/uploads/themysticsofalkala.pdf)
3. Each chapter has brief, bulleted, background information to read first followed by between 1 and 3 tastes for that particular chapter (“The Mission”). *Please download the PDF now!*
4. After reading a given chapter, you can order the taste for that chapter. Order one taste at a time from your bartender or server, letting them know the Chapter number.
5. Once you’ve completed a Chapter’s Mission and are settling your check for the evening, you will want to get credit for the mission you have just completed. In order to do that, you will need to “request a signature” (see below for instructions).

Requesting Signatures for Completed Missions:

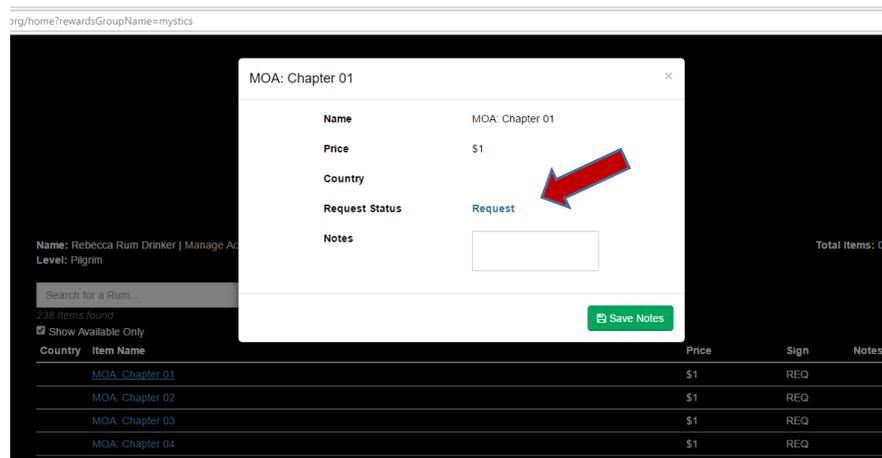

1. Once you have registered and logged in, your screen looks like this:

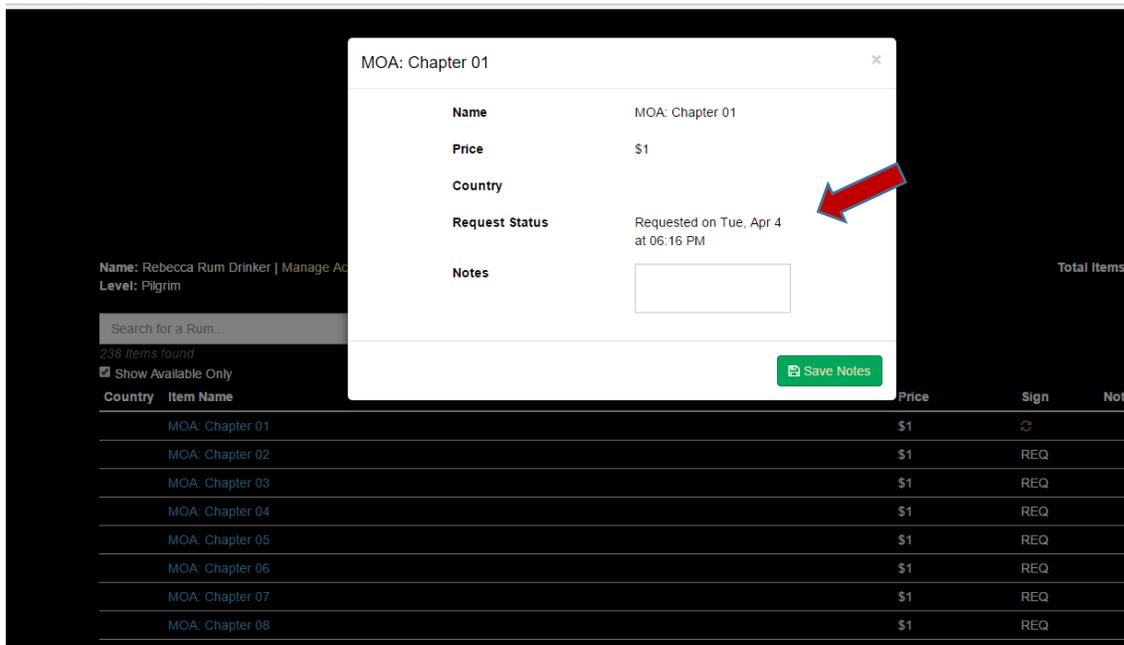

- You will be able to see your name, your level (Pilgrim), and the tally of rums you've had to-date.
- You will see several items in blue named "MOA: Chapter..." These are the missions that you will be completing as part of the education program (see above). The education items should appear at the top of the list. However if at any point you don't see a particular mission you are looking for, you can always use the search field to search for items matching particular chapters, or sort by the Country column and all education items will appear first.
- Once you've completed one or more missions and are settling your check for the evening, it is time to request signature(s) for the mission(s). Your check will serve as a good reminder of what you've had. We ask that you submit your request(s) before you leave False Idol for the evening.
- To request a signature, click on the item corresponding to the taste you had:

- When you click on a given item, a screen will pop up with the item name, price, request status, and notes box. Click on the Request link to request a signature:

7. Once you've requested a signature, you get immediate confirmation that the request was submitted, with a date and time stamp:

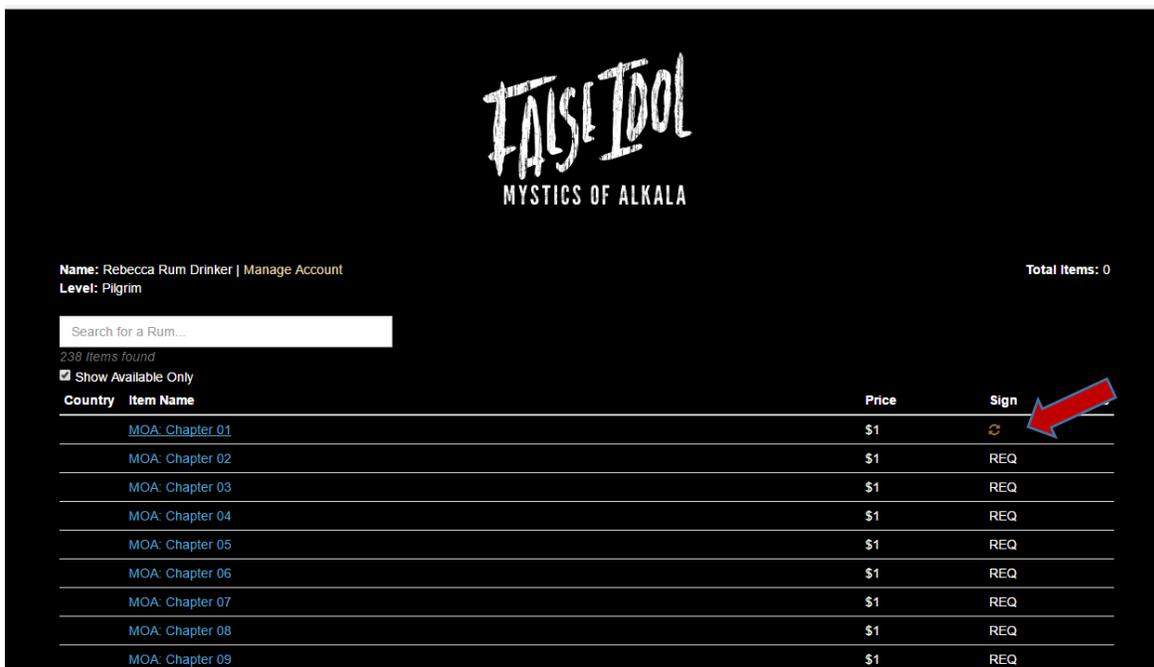

The screenshot shows a modal window titled "MOA: Chapter 01" with the following details:

- Name: MOA: Chapter 01
- Price: \$1
- Country: (blank)
- Request Status: Requested on Tue, Apr 4 at 06:16 PM
- Notes: (empty text box)

A red arrow points to the "Request Status" field. Below the modal is a table with columns: Country, Item Name, Price, Sign, and Notes. The first row is highlighted.

Country	Item Name	Price	Sign	Notes
	MOA: Chapter 01	\$1	🔄	
	MOA: Chapter 02	\$1	REQ	
	MOA: Chapter 03	\$1	REQ	
	MOA: Chapter 04	\$1	REQ	
	MOA: Chapter 05	\$1	REQ	
	MOA: Chapter 06	\$1	REQ	
	MOA: Chapter 07	\$1	REQ	
	MOA: Chapter 08	\$1	REQ	

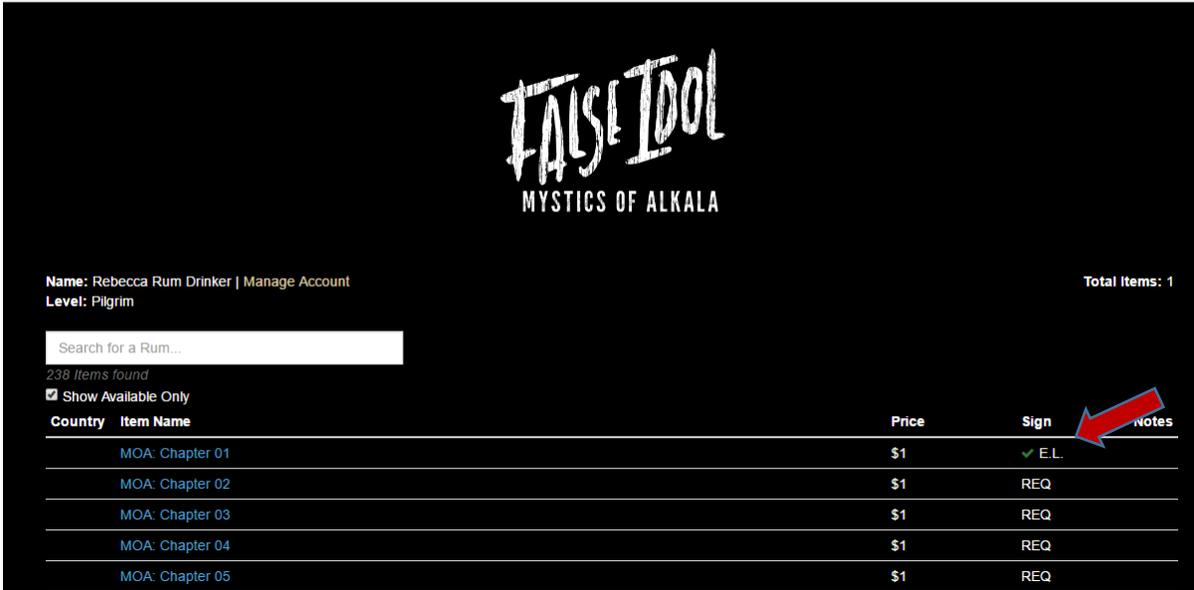

8. Close the window, and you will see that in the signature ("Sign") column on the main screen, next to the item, is now a pending symbol showing that the request is being reviewed:

The screenshot shows the main application interface with the "FALSE IDOL MYSTICS OF ALKALA" logo at the top. The user's name is "Rebecca Rum Drinker" and level is "Pilgrim". The "Total Items" count is 0. A search bar is present with "238 Items found" and a "Show Available Only" checkbox checked. The table below shows the same items as in the previous screenshot, but the "Sign" column for "MOA: Chapter 01" now displays a pending symbol (🔄) instead of a request icon. A red arrow points to this symbol.

Country	Item Name	Price	Sign
	MOA: Chapter 01	\$1	🔄
	MOA: Chapter 02	\$1	REQ
	MOA: Chapter 03	\$1	REQ
	MOA: Chapter 04	\$1	REQ
	MOA: Chapter 05	\$1	REQ
	MOA: Chapter 06	\$1	REQ
	MOA: Chapter 07	\$1	REQ
	MOA: Chapter 08	\$1	REQ
	MOA: Chapter 09	\$1	REQ

9. Please note that approvals are generally done at the end of the night by the manager on duty, and will include a review of your check to confirm. You should see approval the next morning for anything you requested approval for the night before. Once the taste has been signed off on, you will see a checkmark in the Sign column, with the manager's initials:

The screenshot shows the False Idol Mystics of Alkala app interface. At the top, the logo "FALSE IDOL MYSTICS OF ALKALA" is displayed. Below the logo, the user's name "Rebecca Rum Drinker" and level "Pilgrim" are shown. A search bar is present with the text "Search for a Rum...". Below the search bar, it says "238 Items found" and "Show Available Only" is checked. A table lists rum items with columns for Country, Item Name, Price, Sign, and Notes. A red arrow points to the "Sign" column header.

Country	Item Name	Price	Sign	Notes
	MOA: Chapter 01	\$1	✓ E.L.	
	MOA: Chapter 02	\$1	REQ	
	MOA: Chapter 03	\$1	REQ	
	MOA: Chapter 04	\$1	REQ	
	MOA: Chapter 05	\$1	REQ	

10. Continue your way through the education program until you have completed all missions. **Note: You must complete and have signatures for all of the education items online in order to advance to the Acolyte level.** Tasting other rums and getting signature approval can contribute to your overall rum total, but your level will not change until you complete the education program, so **we encourage you to complete the education program first.**

11. Once you have completed the education program, you should have all 35 MOA Chapters with green check marks and manager initials after them. You will receive a membership card to the Mystics of Alkala, and begin to be invited to special tasting events at False Idol. Your new level will also be reflected on the screen:

You can now continue your journey by ordering any rums or cocktails from the menu that are currently available at False Idol. As you drink your way through the items, you should use the same method to request signatures for rums as you did for the educational tastes. At the end of the night, use your receipt as a guide to which rums to request signatures for. During their shift or at the end of the night, the manager on duty will review and approve all requests. They will have access to the night's checks for accuracy.

12. Your item tally at the top right corner will continue to change, and you will begin to advance through the various levels of the club:

Level II: Worshipper

Acolytes can embark on the next level of the club, which consists of sampling your way through rums and cocktails of your choosing offered here at False Idol. Enjoy 65 additional rums and/or cocktails, and you will become a Worshipper of Alkala. You will be awarded a special name tag, souvenir glass, and invitation to a local distillery tour. You will also have the opportunity, should you dare, to move on to Level III.

Level III: Exalter

The third level of the club invites you to sample 100 additional rums and cocktails. This achievement will be honored with the title Exalter of Alkala. You will earn a Consortium Holdings gift card, special line privileges, and your name will be memorialized on the walls of False Idol.

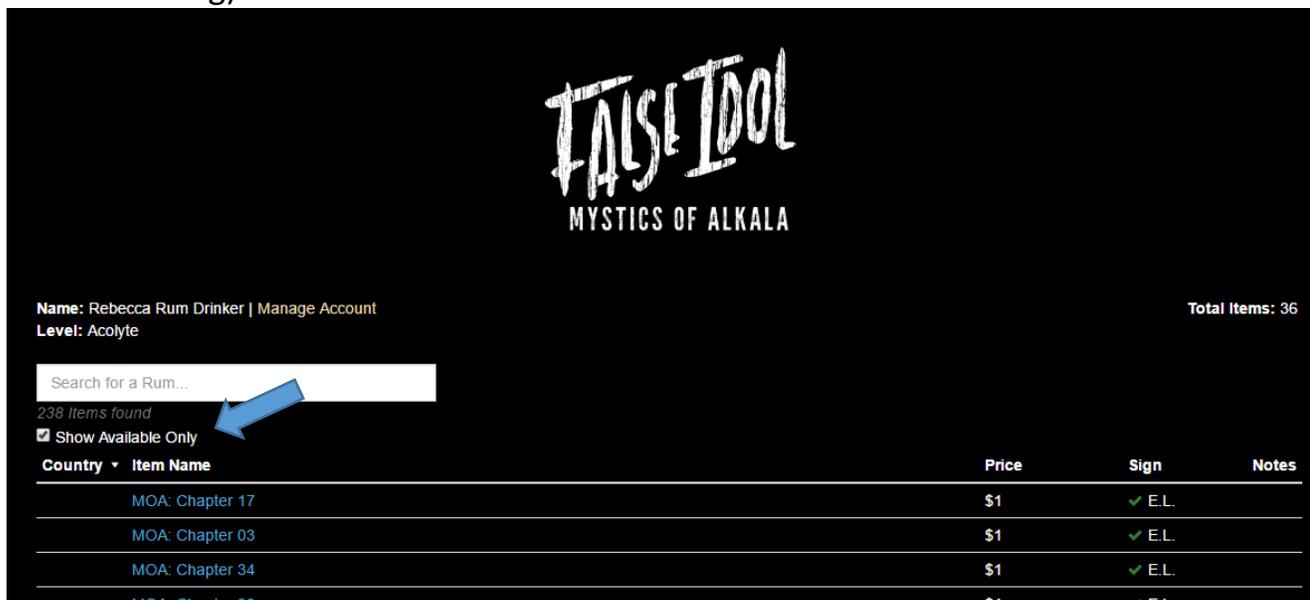

Level IV: Conjurer

The fourth level of the club invites you to sample 100 additional rums and cocktails. This achievement will be honored with a specially catered private luau at False Idol for you and five of your friends and will earn the title Conjurer of Alkala.

FREQUENTLY ASKED QUESTIONS

Moving forward, how do I find particular items to order and know which I've had?

All rums or menu items that have ever been available at False Idol are included in the list. To quickly see what is currently available, click on the "Show Available Only" box (this is the default setting):

The screenshot shows the False Idol website interface. At the top, the logo "FALSE IDOL" is displayed in a stylized font, with "MYSTICS OF ALKALA" underneath. Below the logo, the user's name "Name: Rebecca Rum Drinker | Manage Account" and level "Level: Acolyte" are shown on the left, and "Total Items: 36" is shown on the right. A search bar with the placeholder text "Search for a Rum..." is present, with a blue arrow pointing to it. Below the search bar, it says "238 Items found" and "Show Available Only" is checked. A table of items is displayed with the following columns: Country, Item Name, Price, Sign, and Notes.

Handy tip: if you want to create a “wish” list for next time you’re at False Idol, make a note in the notes field - and start it with a symbol. So, “*want to try next” or some such. Then, when you come in next, sort the Notes column and those will come to the top!

What happens if I accidentally request approval for the wrong rum?

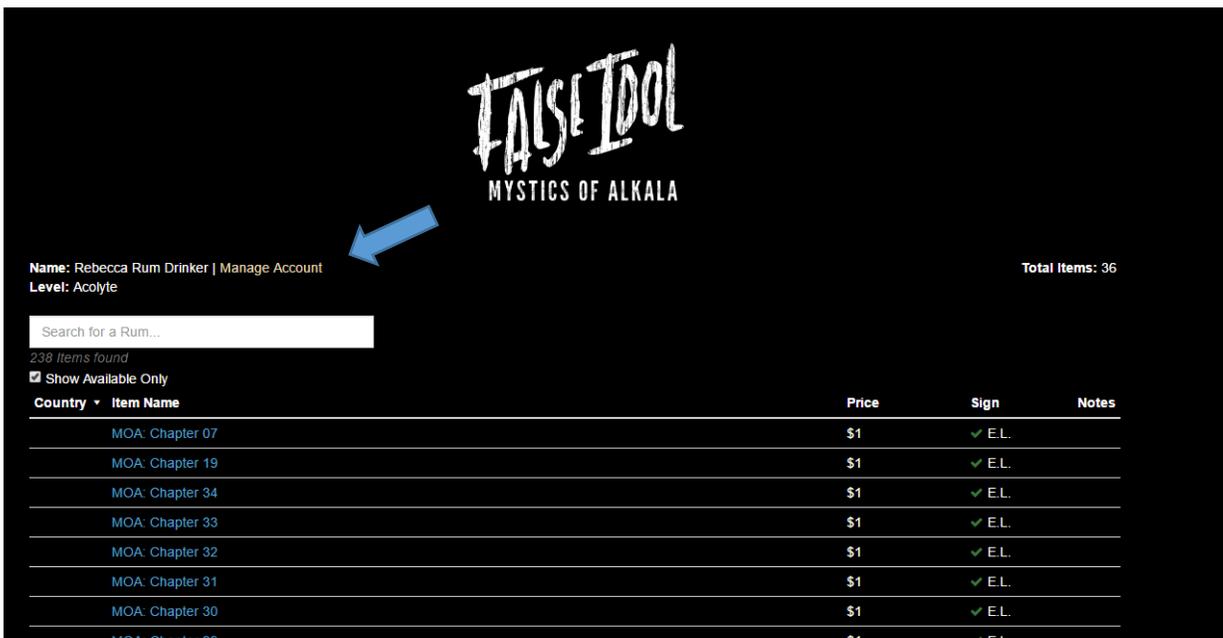

No problem – just flag down a manager and let them know right away so they can reject the request. This rum will go back to being one you can request at a future date.

What happens if someone else pays for my rum?

No problem – just flag down a manager before you go and let them know that the rum you drank and are requesting a signature for will not be appearing on your check, and let them know whose check they should expect to see it on.

How do I change the email address or password associated with my account?

To change the email address or password associated with your account, use the Manage Account feature:

What happens if I forget the password to my account?

Next time you are at False Idol, ask a manager to reset your password. They will reset it for you and give you a temporary password. You will login with that temporary password and then change your password using the Manage Account feature (see question above).
